Subject: 1989 & 1992 EPA UIC reports?

Good morning,

I keep hitting dead ends trying to track down two US EPA reports on class II UIC wells – one is from 1989 and the other is from 1992. They are referenced in the attached 1993 SPE paper (references #2 and #4). Do you have them in Region IX? If you do, would you mind, please, sending me copies?

Here are the references:

U.S. EPA, "Mid-Course Evaluation of the Class II Underground Injection Control Program: Final Report of the Mid-Course Evaluation Workgroup." (August 1989).

U.S. EPA, "Environmental Protection Agency Class II Injection Well Advisory Committee: Final Report." (March 1992).

I appreciate your help.

Much thanks,

Katharine
